Builder Declaration

I confirm that the project has reached a state of practical completion and that:

- The work is complete except for any omissions or defects that do not prevent the work from being reasonably capable of being used for its intended purpose;
- The final invoice for monies due under the building contract has been issued to the homeowner/developer (where the work was undertaken under a building contract); and
- I/we authorise icare hbcf to advise the homeowner/developer that practical completion of the project under the *Home Building Act 1989* has been reached.
